Job Fair - Wednesday 11th September 2019 The Piping Centre, Glasgow

The Bridges Programmes and Scottish Refugee Council would like to invite you to our job fair on Wednesday 11th of September from 10am -2pm to promote your business and offer any potential employment or placement opportunities to people we are working with.

Refugees come from a variety of professional backgrounds including engineering, IT, construction trades, accountants, hospitality etc, and most are willing to find any work available.

This Job Fair is specifically organised as most refugees have had a different recruitment experience in their home country to Scotland and this will be an excellent opportunity for them to see what potential opportunities are available. They are granted leave to remain in the UK, thus have the right to work.

This could help your company:

- diversify its workforce
- widen your pool of talent, which is becoming increasingly important as we move closer to Brexit
- engage with refugees to have a better understanding of what they can offer
- find out what their employment experience is
- see how they can add value to your business

Free spaces at the Job Fair will be limited. If you would like to have a table at the Job Fair, please contact Hazel Rintoul, hazelrintoul@bridgesprogrammes.org.uk with your contact details and how many representatives will be present, by Friday 16th August.
