The Wellhouse Management Committee oversees the delivery of our strategic priorities and the delivery of great services for our customers. Wellhouse HA is a community controlled registered social landlord which is managed primarily by a group of local people who are elected onto the Management Committee. We may co-opt other people onto the Management Committee from time to time where we feel we need specialist support. The Management Committee's role is to make sure that the Association is well run, meets the needs of the local area and is responsive to what is important to local people. On a day-to-day basis, Wellhouse HA is led by our Director and the senior management team, who support the Management Committee in these responsibilities. Wellhouse have a total of 12 members on the Management Committee. As at September 2023 we have 4 vacancies available.
