Charges for information which is not available under the scheme

If you submit a request to us for information which is not available in this Guide, the charges will be based on the following calculations:

General information requests

- There will be no charge for information requests which cost us £100 or less to process
- Where information costs between £100 and £600 to provide you may be asked to pay 10% of the cost. That is, if you were to ask for information that cost us £600 to provide, you would be asked to pay £50 calculated on the basis of a waiver for the first £100 and 10% of the remaining £500
- We are not obliged to respond to requests which will cost us over £600 to process
- In calculating any fee, staff time will be calculated at actual cost per staff member hourly salary rate to a maximum of £15 per person per hour
- We do not charge for the time to determine whether we hold the information requested, nor for the time it takes to decide whether the information can be released. Charges may be made for locating, retrieving and providing information to you
- In the event that we decide to impose a charge we will issue you with notification of the charge (a fees notice) and how it has been calculated. You will have three months from the date of issue of the fees notice in which to decide whether to pay the charge. The information will be provided to you on payment of the charge. If you decide not to proceed with the request there will be no charge to you.

Charges for Environmental Information Environmental information is provided under the EIRs rather than FOISA.

The rules for charging for environmental information are slightly different.

We do not charge for the time to determine whether we hold the environmental information requested or deciding whether the information can be released. Charges may be made for locating, retrieving and providing information to you e.g. photocopying and postage.

If we decide to impose a charge, we will issue you with notification of the charge and how it has been calculated. The information will be provided to you on payment of the charge.

If you decide not to proceed with the request there will be no charge to you. Charges are calculated based on the actual cost to Wellhouse Housing Association of providing the information:

- Photocopying is charged at 10p per A4 sheet for black and white copying, 20p per A4 sheet for colour copying.
- Postage is charged at actual rate for Royal Mail First Class.
- Staff time is calculated at actual cost per staff member hourly salary rate to a maximum of £15 per person per hour.

The first £100 worth of information will be provided to you without charge.

Where information costs between £100 and £600 to provide, you will be asked to pay 10% of the cost. That is, if you were to ask for information that cost us £600 to provide, you would be asked to pay £50, calculated on the basis of a waiver for the first £100 and 10% of the remaining £500.

Where it would cost more than £600 to provide the information to you, however, we will ask you to pay the full cost of providing the information, with no waiver for any portion of the cost.

Charges for requesting for your own personal data

There is no charge for requesting your own personal data under the General Data Protection Regulation (GDPR) Subject Access Request. We must provide a copy of the information free of charge.

However, we can charge a 'reasonable fee' when a request is manifestly unfounded or excessive, particularly if it is repetitive. We may also charge a reasonable fee to comply with requests for further copies of the same information. This does not mean that we can charge for all subsequent access requests. The fee must be based on the administrative cost of providing the information.

Further information on GDPR can be found on the Information Commissioner's Office website. Click <https://ico.org.uk/>
